Terminal Disclaimer

1. The terminal disclaimer filed on 05/31/2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6,633,178 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: in combination with other limitations of the claims, the cited prior arts fail to teach holding said second logical value on said line by driving a second current through said line and said termination resistance, said second current less than said first current, said second current sustained for a width of a second bit that is propagated on said line, as recited in claim 40; the cited prior arts also fail to teach said first group of multiplexer inputs to provide an indication of a first number of said drivers to be enabled while driving a logic level with a first current strength, said second group of multiplexer inputs to provide an indication of a second number of said drivers to be enabled while driving a logic level with a second current strength, as recited in claims 71 and 79.

3. Claims 40-48 and 72-86 are now in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
